

QUADRANTS SCIENTIFIC, INC.

CHANGE NOTIFICATION

Date: January 17, 2020

RE: Notification of ownership change of Quadrants Scientific, San Diego, CA

To Whom It May Concern,

This letter is to inform customers and vendors of the following change to the organization:

**QUADRANTS SCIENTIFIC, INC (SAN DIEGO, CA) HAS BEEN ACQUIRED BY:
INFINITY LABS SD, INC**

The facility will continue to operate under the name of Quadrants Scientific and its associated registrations, certifications, and licenses will be updated to reflect ownership change, as appropriate. No other changes to system, processes, customer pricing, or tests at Quadrants Scientific are created by this announcement. To support this change, additional correspondence will be made available in the upcoming weeks, specifically regarding updated accounting and banking information.

Infinity Labs SD parent company Infinity Laboratories Group, Inc., is a leading pharmaceutical, medical device, and biotechnology laboratory network that is headquartered in Castle Rock, CO, and has additional offices in San Diego, CA.

Test Facility Certifications, Licenses & Accreditations

Quadrants Scientific is a test facility with the following registration:

FDA Facility Establishment Identifier: 3002023300

Thank you for your continued support and patronage,
