

CHANGE NOTIFICATION

Date: December 18, 2020

RE: Notification of change of ownership of Sterilization & Validation Consulting (SVC, LLC), San Jose, CA

To Whom It May Concern,

This letter is to inform customers and vendors of the following upcoming changes to the organization.

STERILIZATION & VALIDATION CONSULTING (SAN JOSE, CA) HAS BEEN ACQUIRED BY:

INFINITY LABS SD, INC.

The facility will continue to operate under the name of Sterilization & Validation Consulting (SVC) for the next 90 days at which point Sterilization & Validation Consulting will be renamed to Infinity Labs SD, Inc. (dba Infinity Laboratories). Associated registrations, certifications, and licenses will be updated to reflect ownership change, as appropriate. No other changes to system, processes, customer pricing, or services are created by this announcement. To support this change, additional correspondence will be made available in the upcoming days, specifically regarding updated accounting and banking information. For more details regarding this acquisition, please refer to the Infinity Laboratories company website ([press release here](#)).

Sterilization & Validation Consulting parent company, Infinity Laboratory Group, Inc., is a leading pharmaceutical, medical device, and biotechnology laboratory network that is headquartered in Castle Rock, CO, and has additional offices in San Diego, CA, San Jose, CA, Petaluma, CA, St. Louis, MO, and Bound Brook, NJ.
