

CHANGE NOTIFICATION

Date: January 4, 2021

RE: Notification of change of ownership of MicroWorks, Inc., Crown Point, IN

To Whom It May Concern,

This letter is to inform customers and vendors of the following upcoming changes to the organization.

MICROWORKS, INC. (CROWN POINT, IN) HAS BEEN ACQUIRED BY:

INFINITY LABS IN, INC

The facility will continue to operate under the name of MicroWorks Inc. for the next 90 days at which point MicroWorks Inc. will be renamed to Infinity Labs IN, Inc. (dba Infinity Laboratories). Associated registrations, certifications, and licenses will be updated to reflect ownership change, as appropriate. No other changes to system, processes, customer pricing, or services are created by this announcement. To support this change, additional correspondence will be made available in the upcoming days, specifically regarding updated accounting and banking information. For more details regarding this acquisition, please refer to the Infinity Laboratories company website ([Link to Press Release](#)).

MicroWorks Inc. parent company, Infinity Laboratory Group, Inc., is a leading pharmaceutical, medical device, and biotechnology laboratory network that is headquartered in Castle Rock, CO, and has additional offices in San Diego, CA, San Jose, CA, Petaluma CA, St. Louis, MO, and Bound Brook, NJ.

Facility Certifications, Licenses & Accreditations

MicroWorks Inc. is a service facility with the following registrations:
